UNIVERSITY SCHOLARSHIPS For Manitoba War Veterans and their Sons and Daughters

The six licensed Manitoba Brewers and all the licensed Hotel-keepers in the Province have given \$15,000.00 to the University of Manitoba to provide scholarships for Manitoba War Veterans not otherwise adequately provided for and for the sons and daughters of Manitoba War Veterans.

The sum of \$7,500.00 is to be used in the academic year 1950-51 to provide 15 entrance scholarships of the value of \$150.00 each for students resident in Greater Winnipeg, and 15 entrance scholarships of the value of \$350.00 each for students resident elsewhere in the Province. The remaining \$7,500.00 is to be used for the purpose of continuing winners of such scholarships for a second year.

The scholarships may be tenable for two years in the University of Manitoba, or in any of its affiliated Colleges, in Arts, Science, Law, Medicine, Engineering, Architecture, Agriculture, Home Economics, Commerce, Pharmacy or other courses approved by the Board of Selection.

To be eligible a student must have clear Grade XI or Grade XII standing, as recognized for admission by the University of Manitoba, provided that any student writing Grade XI examinations may apply.

Application forms may be obtained from any high school principal, the Department of Education or the Registrar of the University of Manitoba.

TELEPHONE DIRECTORY

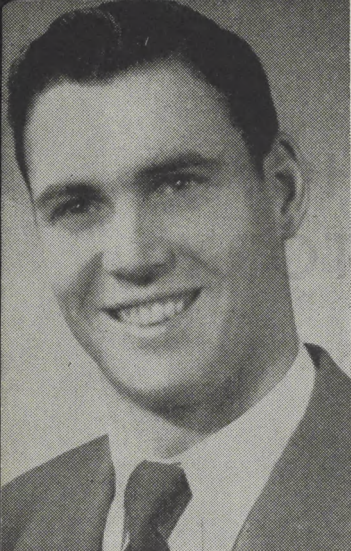

33rd EDITION

PUBLISHED BY THE COUNCIL OF THE

University of Manitoba
Students' Union

1950 - 1951

ARTHUR V. MAW
President

Foreword

This useful little book was edited with the hope of making easy and possible all those frequent "get - in - touch-with."

We therefore sincerely wish that both friendship and success be brought about through its medium.

JOHN COMEAU,
Editor-in-Chief.

U.M.S.U. President's Message

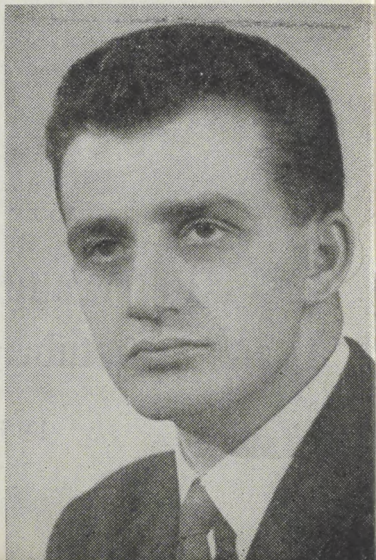

Congratulations to Mr. Comeau and his staff for their speedy and efficient production of this directory.

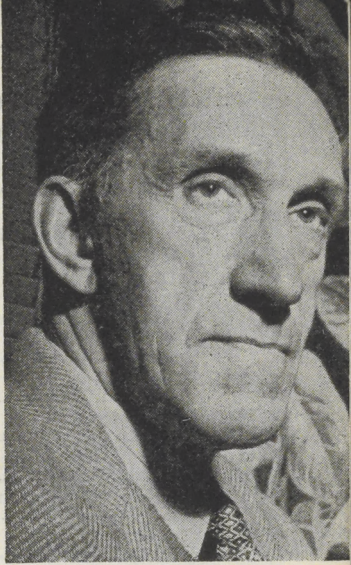

In this small volume you will find a calendar of events for the school term, the names and numbers of those people responsible for these events, and the names and numbers of those people who we hope will be attending these events.

We hear much talk of faculty vs. university, of Fort Garry vs. downtown, etc., but within these two covers we have one striking example of how our student's union works—of unity with individuality of the single member group as a vital part of the larger organization.

Your Student's Council has authorized the printing of this phone book as a benefit to the student body. It is our sincere hope that it will prove of real assistance to you.

ARTHUR V. MAURO,
President.

University President's Message

Like its predecessors, the 33rd edition of the Telephone Directory is a most welcome and very useful volume to all of us in the University family. The capable staff who have prepared it and the U.M.S.U. which sponsored it deserve our very warm appreciation.

A. H. S. GILLSON,
President.
